**MEDIA PRESS RELEASE! – Town of Newbold**

DATE: June 20, 2023  
TO: Town of Newbold Community Members, and Businesses  
FROM: Newbold Community Center

April 19, 2022, the electorates of the Town of Newbold authorized the town board to construct a new Town Hall. Fast forward a year later and the construction of the Newbold Community Center has begun!

Groundbreaking took place mid-April 2023. The timeline for the finished Newbold Community Center is projected to be November 2023, with a grand opening slated for a date shortly thereafter.

The town is partnered with the Community Foundation of North Central Wisconsin to complete a fundraising campaign to offset the cost of the Newbold Community Center, thus attempting to reduce the amount of tax obligation for Town of Newbold taxpayers. Funds will be designated for anything from chairs, tables, office furniture, and kitchen appliances as needed to be able to open the doors yet this year. Thus far, those efforts have taken in over \$15,000 in donations from generous individuals and families. The Town of Newbold is looking to continue those donation efforts to further lessen the burden of the taxpayers. For donation information and on-line giving find us at our website [www.newboldwi.gov](http://www.newboldwi.gov).
