

**Town of Newbold  
Oneida County, Wisconsin**

**Press Release**

**For Immediate Release**

**August 13, 2022**

**TOWN HALL PROJECT BIDS REJECTED**

**On August 3, 2022, the Town Board received and opened bids related to the construction of a new town hall.**

**On August 11, 2022, the Town Board rejected all bids received for the approved Town Hall building project. This was the result of the combined bids bringing the cost of the new town hall construction to over 2 million dollars, well in excess of the estimated 1.5 million proposed to the electors prior to their approval of the project.**

**Inflation, strong economy and labor shortages are some of the suspected reasons for the unusually high bids. Regardless of the reasons, the Town Board determined that re-bidding the project was in the best interest of the town. Accordingly, bid specifications will be amended to a later project start date and released in October, 2022.**

**The new bids are expected to be received and opened by the Town Board on November 3, 2022.**
